

## Specialty Filing and Storage Solutions Furniture and Shredders

### Discover BRC Harris.

BRC Harris is your leading source of paper filing and storage systems, filing supplies and office furniture for practices in the Rocky Mountains. With more than 25 years of experience, our storage and filing medical system experts provide free consultative advice and value pricing to improve medical office productivity.

Large enough to offer the broadest selection of products and services at the best prices, BRC Harris is small enough to provide you with personalized customer service. Whether your practice needs to organize, consolidate, move, store or destroy files; transition to state-of-the-art software; or furnish your office; BRC Harris can meet your needs.

*Lateral track systems have shelving units that slide aside, providing easy access to multiple layers of storage.*

### Accommodate even more files in less space.

Our storage solutions improve the appearance of your office.

### Save time and hassle.

There are literally thousands of specialty filing and storage systems and configurations to keep your office running smoothly. Most catalogs and office supply stores simply do not carry these specialized products. With resources at our fingertips, let BRC Harris help you find the right solution for your office quickly.

*Box storage and shelving efficiently uses all available space.*

### Discover how to make your office more productive.

Let BRC Harris identify the perfect filing and storage solution or upgrade to match your office needs. Invite a BRC Harris filing and storage system expert to visit or talk by phone today. Receive complimentary filing and storage advice.

**BRC Harris delivers and installs your filing equipment. We do the actual conversion too!**
