

For more than 25 years, **BRC Harris, Inc.** has been the leading source for new and used paper finishing equipment and service in the Rocky Mountains.

Dependable, Worry-free Maintenance

As your full-service dealer, BRC Harris' experienced, factory-trained technicians can completely manage your preventive maintenance on all models of equipment. Every six months, we will provide professional maintenance and diagnose the condition of your equipment. Now you can plan for repairs and avoid costly downtime. We will help you save money while optimizing your productivity.

Complete Print Finishing Equipment

BRC Harris also sells cutters, trimmers, UV coaters, drills, folding equipment, collators, bindery equipment, creasers, laminators, bookletmakers, collators, joggers, inserters, bursters, decollators, shredders, disintegrators, punches, slitting, perforating, scoring, numbering machines, staplers, stitchers, mail handling equipment and workstations.

We Service What We Sell... and More

We offer complete service on everything we sell. Whether it is warranty work, repair service, preventive maintenance, installation or equipment moves, we can serve your print finishing needs with complete satisfaction.

Are you tired of **working on your own equipment**? Have you figured out what it **really costs** to do your own repairs? Do you worry about **missing deadlines** when a critical piece of finishing equipment goes down? How much does **downtime reduce your profits**?

Print Finishing Solutions

Preventive maintenance is critical to:

- Reduce equipment downtime
- Plan maintenance around work schedules
- Improve production efficiency
- Increase equipment life
- Enhance your profitability

Keep your shop running smoothly....

BRC Harris
Keep your business moving.

Avoid costly downtime.

Our Preventive Maintenance program is designed to prevent costly downtime and reduce worry. BRC Harris' highly trained technicians eliminate the burden of tracking and performing your preventive maintenance work, so you can stick to your core business...and keep your business moving.

Priced to save.

Taking care of your equipment saves money in the long run. The cost of our preventive maintenance services are priced according to the complexity of the equipment, with prices listed per piece of equipment within each category.

Terms and Conditions

To fall under a preventive maintenance agreement, equipment must be in good operating condition at the onset of the contract. If not, BRC Harris will perform repairs to bring the equipment into good working condition and separately invoice the customer for any such labor, travel and parts.

All work under this Agreement shall be performed on the customer's premises during normal business hours.

The specified equipment shall be cleaned, lubricated and adjusted in accordance with the manufacturer's specifications two times annually as scheduled by BRC Harris unless a different schedule is agreed upon by the customer and BRC Harris.

The price includes all mileage, travel time and labor associated with performing the preventive maintenance. The price does not include replacement parts, consumable items or service repair work. However, preventive maintenance customers receive a 10% discount on travel and labor all required service repair work on the covered equipment.

The maximum liability for BRC Harris shall be an amount not to exceed the total amount actually paid by the customer for services during the applicable term of the Agreement. In no event shall BRC Harris be liable for any special, indirect, consequential or exemplary damages including, but not limited to, loss of use, data, anticipated profits or business opportunities, nor liability to third parties nor for specific performance.

All parts and labor are guaranteed for a full three months from the date of completion. The warranty is void if equipment is misused.

Investment

Prices are per preventive maintenance visit, based on a minimum purchase of two visits. Depending on usage, two preventive maintenance services per year are recommended. Outside the metro-Denver area, please add \$54 per visit.
